

# HOPE COUNSELOR APPLICATION

Thank you for your interest in becoming a Camp HOPE Counselor for HAVEN. You have the amazing opportunity to become a very significant part of a child's life.

We take the process of finding Camp Counselors very seriously because we deeply care about our participants and the kind of guidance and love that they will receive during their week of camp. We are looking for individuals who are compassionate, encouraging, empathetic, kind, sensitive, patient, and adventurous. We look forward to learning more about you to see if you might be a good fit for our vision of changing the destinies of children exposed to trauma through hope, camp and community building.

Our week of sleep-away camp is from August 25-29, 2026 with required training on August 24th.

Name:

Age:

Pronouns:

Street Address:

City:

State:

Phone:

Email:

Do you prefer call/text/email?

Place of employment or school:

Have you ever been convicted of a crime?
