# KIDS ARE OUR BUSINESS

## FUNDRAISER BREAKFAST

**APRIL 10, 2026 | 8 AM - 10AM**  
**WENTWORTH COUNTRY CLUB**

HAVEN's Kids Are Our Business Breakfast is a powerful morning of purpose, a gathering that shines a light on prevention, education, and the shared responsibility we all hold to build safer communities for our children and families.

This inspiring event brings together business leaders, educators, advocates, and community partners for a morning filled with connection, reflection, and hope. Guests will hear directly from HAVEN's educators and community leaders about the impact of our prevention programs in local schools, and the tangible ways education can stop violence before it starts.

As sunlight fills the room, guests enjoy a hearty breakfast, moving stories of resilience, and an opportunity to invest in the next generation's safety and well-being.

Because when we come together to learn, to listen, and to lead with compassion, we're not just changing lives, we're shaping the future.

HAVEN's work is only possible because of the generosity and partnership of people like you. We can't do this without you, and it wouldn't be the same without you there.

**HAVEN's education programs make a very difficult topic very easy for children to relate to and understand, so they feel empowered about their own body and its safety.**

## WHO WE ARE

HAVEN is the largest crisis center in New Hampshire, serving 48 cities and towns across Rockingham and Strafford counties, a safety net covering nearly a third of the state.

Our mission is to prevent sexual assault, domestic violence, and stalking, and to support and empower all women, men, non-binary and transgender adults, youth, and families to heal from abuse and rebuild their lives.

Education is at the heart of this mission. Through our award-winning prevention programs in local schools, community trainings, and workplace initiatives, HAVEN reaches thousands each year, teaching young people about healthy relationships, consent, and respect; equipping adults to recognize and respond to abuse; and empowering communities to stand together against violence.

For over 46 years—and now celebrating 10 years since our merger, HAVEN has been a trusted leader in safety, advocacy, and education across the Seacoast. Business partners like YOU make it possible for us to provide life-saving support, invest in prevention, and create a future where every person can live free from violence.

**Together, we are building stronger, healthier communities across New Hampshire.**
